REPORT OF THE DIRECTORS

The Directors are pleased to present their Thirty-Third Annual Report together with audited financial statements for the financial year ended 31st March 2017.

PERFORMANCE REVIEW

The Financial Year 2016-17 witnessed three significant events starting with demonetization of high denomination currency, completion of all processes leading to the promulgation of the long awaited and transformational Goods and Service Tax (GST) and finally a Supreme Court judgment banning, with effect from 1st April 2017, sale of vehicles which only met emission targets for BS III specifications and not the enhanced specifications of BS IV. It is hoped that in the long term the first two events would have favourable effect on the country's economy and its GDP, which during financial year 2016-17, grew at an estimated 7.1 percent against 7.9 percent in the preceding year. While demonetization had its adverse impact on business in general, at least in the short term, the ban on sale of vehicles, stated above, has had significant adverse effects, discussed later in the Report.

The growth in the financial year in Commercial Vehicle Industry at 4.3 percent was lower than the 12.2 percent of the preceding year, volume reaching 8,22,500 against 7,88,800 in the preceding year 2015-16. While Light vehicles (LCV) grew 5.5 percent to reach 4,76,300, Medium & Heavy vehicles (M&HCV) segment growth was lower at 2.6 percent with volumes at 3,46,200. **However, Your Company was able to achieve robust growth of 17.4 percent, during the year, from 12,700 vehicles to 14,909, as a result of aggressive marketing, brand building actions and several sales promotion initiatives.**

The financial performance of the Company, for the year ended 31st March, 2017 is summarized below :

(Rs. in Crores)

	2017	2016
Sales volume (No. of vehicles)	14909	12700
Net revenue	1,373.11	1,172.58
Less : Material cost & other expenses	1,260.96	1,079.54
Operating profit	112.15	93.04
Profit before tax	84.63	68.32
Profit after tax	62.81	51.16
Balance of profit from prior years	158.19	126.07
Surplus available for appropriation	221.00	177.23

The immediate effect of the ban on BS III vehicles was that all vehicles earlier sold to the dealers but still held in their stock as on 31st March 2017 were returned to the Company, reversing sales value, and the value of all non useable components in the Company's inventory relating to BS III vehicles had to be written off. The vehicles so returned from the dealers together with Company's stock of BS III vehicles are being converted into BS IV compliant vehicles, cost of which is being charged to profits as and when incurred. The Company is also trying to sell some of these vehicles in the overseas market, wherever feasible, which will not require any conversion.

DIVIDEND

The Directors have recommended payment of dividend of Rs. 8.0 per equity share of face value of Rs. 10/- each for the year ended 31st March, 2017, same as in the previous year, which is subject to the approval of shareholders at the forthcoming Annual General Meeting. The cash outflow will be Rs. 13.93 crores including dividend distribution tax of Rs. 2.36 crores, same as in the previous year.

MANAGEMENT DISCUSSION AND ANALYSIS

A Management Discussion and Analysis, which also covers the state of the Company's affairs, forms a part of this report.

CORPORATE GOVERNANCE

A report on corporate governance together with the Auditors' Certificate confirming compliance with corporate governance norms, as stipulated under the SEBI Listing Regulations, 2015, forms a part of this report.

INDUSTRIAL RELATIONS

Industrial relations and work atmosphere remained cordial throughout the year with sustained communication and engagement with workforce through various forums.

CREDIT RATING

The Company continues to enjoy the highest rating for short term borrowings of A1+ (pronounced A one plus) from ICRA. Further, during the year, the long term rating for line of credit / cash credit limits has been upgraded from AA- (pronounced double A minus) to AA (pronounced double A).

SAFETY, HEALTH AND ENVIRONMENT

The Company continues to demonstrate strong commitment to safety, health and environment which have been adopted as core organizational values. The Company assures safety and audits its facilities in accordance with statutory and regulatory requirements. The Directors review these areas every quarter through reports and presentations made at the Board Meetings.

Employees are continuously made aware of hazards / risks associated with their job and their knowledge and skills are updated through requisite training to meet any emergency. Regular medical and occupational check-ups of employees are conducted and eco-friendly activities are promoted.

Safe disposal of hazardous waste is ensured through an effluent treatment plant and an incinerator; a sewage treatment plant ensures eco-friendly disposal of sewage.

During the year, the Company has received BS OHSAS 18001: 2007 certificate in respect of Occupational Health & Safety Assessment Series and ISO 14001: 2015 certificate in respect of Environmental Management System.

CURRENT BUSINESS ENVIRONMENT

Pre-buying of vehicles during the last quarter of financial year 2016-17 on account of implementation of BS IV emission norms, effective 1st April 2017, and customers' expectation of reduction in vehicle prices post implementation of GST has moderated demand in first four months of current financial year with CV volumes contracting 8.1% during the period. Your Company has sold 3928 vehicles during April-July 2017 against 6261 sold in the same period last year.

The above drop in sales volume had its inevitable impact on financial results of the first quarter. On net revenue of Rs. 357.98 crores (Rs. 516.10 crores), during the quarter, the Company has earned profit after tax of Rs. 6.75 crores (Rs. 40.86 crores).

CRISIL has forecast GDP growth at 7.4 percent for 2017-18 based on factors such as normal monsoons, softer interest rates and relatively benign inflation. As for CV Industry, experts' view is that CV industry will improve gradually and register growth of 6-8 percent during financial year 2017-18. For the Company, however, competition is becoming intense with entry of new players and existing players expanding their product portfolios.

Based on the above and expected recovery in demand for commercial vehicles in the second half of the current financial year, the Directors can look towards recovering the lost ground so far, during rest of the year.

Amidst the tough competitive environment, the Company will continue its focus on product development, innovative and cost effective technology solutions, up-gradation of plant infrastructure to improve manufacturing technology and efficiencies and cost cutting.

The Company's capex project envisaging an outlay of Rs. 220 crores for technology, product development and up-gradation of plant infrastructure to improve manufacturing efficiency is progressing well. An amount of Rs 107.0 crores has been spent till 31st March, 2017. To part finance this capex, the Company had drawn Rs. 35.0 crores External Commercial Borrowings (ECB) during financial year 2016-17, designated in US Dollars (fully hedged) and the rest has been from internal accruals. The Company has also planned to incur an estimated capex of Rs. 30.0 crores towards enhancing the production capacity of its Plant from 18,000 vehicles to 24,000 vehicles per annum by setting up an additional assembly line, to be funded through internal accruals.

MANAGEMENT DISCUSSION AND ANALYSIS

1. INDUSTRY REVIEW

The domestic commercial vehicles (CV) Industry grew by 4.2 percent in the financial year 2016-17 with sales volume at 7,14,200 compared with 12.2 percent (6,85,700) in the preceding year. While LCV truck segment grew by 7.9 percent during 2016-17, the medium & heavy truck segment (M&HCV) suffered a decline of 1.3 percent. The principal factors that contributed to this situation were weak replacement-led buying, lack of growth in freight demand from industrial segments, uncertainty over GST rates and demonetization of high denomination currency. Bus segment, however, witnessed a growth of 5.7 percent driven by sustained demand from almost all categories of buyers, despite the uncertainties stated above.

Export volumes during the year were up by 5.0 percent to reach 1,08,300 vehicles.

2. OUTLOOK

The current financial year 2017-18 has begun on a weak note, in principle due to limited availability of BS-IV compliant vehicles with the Company due to ban on sale of BS III vehicles, effective 1st April, 2017, and implementation of GST which has led fleet operators to put their investment plans on hold. Also, manufacturers have to re-align their production and inventory on account of above factors. During April-July 2017 period, total CV industry volumes contracted by 8.1 percent to reach 2,34,700 against 2,55,300 achieved during the corresponding period of the previous year. Also, the last quarter of 2016-17 had witnessed some advance purchasing of vehicles with customers anticipating possible difficulties arising from introduction of GST and in respect of the expected new norms for emission standards, both of which are later discussed in this Note and in the Directors' report.

It is expected that the CV Industry and the Company will regain their growth momentum in the coming months as some of the uncertainties have been removed and the Company's production for adequate supply of BSIV compliant vehicles is in place. Also, an increased thrust towards infrastructure and rural sector envisaged in the recent Government budget and continuing growth in consumption is expected to boost demand for Commercial Vehicles. Further, over the medium term, the LCV segment will also benefit from the roll out of GST and its impact on logistics especially in respect of hub-n-spoke model of distribution. Demand for buses is expected to pick up from State Road Transport organizations on account of increased focus by the Government, both Central and at the States level, on improving urban as well as rural transportation and particularly also for proposed smart cities; further enhanced by sustained demand from carriers of staff and for schools and colleges.

Based on the above factors, the industry's view is that in the full year 2017-18, M&HCVs (Trucks) segment will grow by 6-8 percent and the LCV (Trucks) segment by 7-8 percent. Bus sales growth is expected to be 5-7 percent.

The Company has sold 3,928 vehicles during four months April-July, 2017 period against 6,261 in the corresponding period of the previous year. As the CV industry is expected to show improved performance in the coming months, based on demand factors discussed above, the Company is looking forward to recovering the lost ground during the rest of the year.

3. COMPANY PERFORMANCE

The Supreme Court of India, in an unprecedented and equally unfortunate move for the industry and the Company, imposed a ban on sale and registration of BS III vehicles effective 1st April 2017. Adverse effects of that move on revenue and profits of the Company are explained later.

The Company had an inventory of 1800 BS III vehicles as on 31st March 2017 (including vehicles returned by dealers) which were treated as work in progress (WIP) in the books of accounts, waiting to be made BS IV compliant as required by the new regulation. Revenue for the year was thus reduced by Rs. 22.20 crores representing value of the non-compliant vehicles which were returned to the Company by the dealers / customers as at 31st March 2017.

Efforts are being made to sell BS III vehicles in overseas markets where these still meet local standards, but expectations are not high.

The effects of the above ban on the Company's results are reflected by provisions made in the accounts for 2016-17 as follows - writing off of the carrying value of inventory of components etc no longer usable for the newly compliant vehicles and loss of margin on sales returns, amounted to Rs. 10.10 crores. The cost of converting stocks of vehicles at 31st March 2017 (including vehicles returned by dealers) to the new standard will be charged in accounts as and when incurred.

The Company sold 14,909 vehicles in 2016-17 (net of sales return of 275 BS III vehicles from dealers) against 12,700 in the previous year. Product-wise break up of sales is given hereunder:

	2016-17	2015-16
		(Nos.)
Passenger vehicle (buses)	7919	6814
Cargo vehicles	6990	5886
Total	14909	12700

Net Revenue for 2016-17, is Rs. 1,373.1 crores (net of sales returns of Rs. 22.20 crores against 275 BS III vehicles taken back from dealers) against Rs. 1,172.6 crores in the preceding year, as detailed below :

	2016-17	2015-16
		(Rs. in Crores)
Sale of Vehicles	1,281.9	1,085.9
Sale of Spare Parts etc.	91.2	86.7
Total Net Revenue	1,373.1	1,172.6

Material cost was higher at 73.0% of net revenue (72.3%) which includes onetime impact of BS III stock write off due to the above referred ban imposed by the Supreme Court.

Employee costs at Rs. 141.1 crores (Rs. 124.9 crores) were 10.3% (10.7%) of net revenue.

Marketing costs at Rs. 65.7 crores were 4.8% (4.9%) of net revenue.

Other operating & administrative expenses at Rs. 52.2 crores made up 3.8% (4.2%) of net revenue.

Depreciation Charge was at Rs. 23.5 crores (Rs. 19.6 crores).

With increase in volumes and control over costs, operating profit reached Rs. 112.2 crores (8.2%) against Rs. 93.0 crores (7.9% of net revenue). Interest expense net of interest earned amounted to Rs. 0.3 crores (Rs. 0.9 crores net income).

As a result of above, Profit before tax rose to Rs. 84.6 crores (6.2% of net revenue) against previous year's Rs. 68.3 crores (5.8%). Profit after tax was Rs. 62.8 crores (Rs. 51.2 crores), which translates to an earnings per share of Rs. 43.4 (Rs. 35.4).

Net worth of the Company as on 31st March, 2017 was Rs. 402.5 crores against Rs. 340.1 crores on that date in the previous year made up of equity component of Rs. 14.5 crores (Rs. 14.5 crores) and reserves of Rs. 388.0 crores (Rs. 325.6 crores).

Year-end short term borrowings from banks were Rs. 5.1 crores (Rs. 55.0 crores) and long term External Commercial Borrowings were Rs. 33.5 crores - net of adjustments for derivatives as per the applicable accounting standards (Previous Year's - Nil).

Cash & Bank Balances (including Fixed Deposits with Banks) were Rs. 7.6 crores (Rs. 36.1 crores).

Year-end trade receivables were at Rs. 114.8 crores (Rs. 102.8 crores) and trade payables were Rs. 190.7 crores (Rs. 171.9 crores).

Fixed assets stood at Rs. 290.8 crores (Rs. 211.4 crores).

4. INTERNAL CONTROL SYSTEM AND ADEQUACY

The Company conducts its affairs within the framework of well-defined business plans which have provided appropriate guidance and direction to its employees. Annual Business Plan for each financial year is formulated on the basis of well defined processes and is approved by the Board of Directors. Finance & Accounts function is adequately staffed by professionally qualified and experienced personnel. An effective reporting and monitoring system is reviewed at the meetings of the Audit Committee and the Board while considering quarterly business performance. Business projections are revised in relation to market expectations and management action taken to offset adverse changes to the extent possible. Policies and procedures have been laid down to provide reasonable assurance that assets are safeguarded from risks of un-authorized use/disposition and transactions are recorded and reported with propriety, accuracy and speed. These aspects of operations are regularly reviewed and verified by Company's Internal Audit department and the Company's Statutory Auditors. Significant observations of the Auditors are subsequently submitted to the Audit Committee of the Board for consideration and guidance. Audit Committee also reviews adequacy and effectiveness of Company's internal financial controls.

5. HUMAN RESOURCES

The Company has always strived to attract the best talent, provide invigorative work environment, retain achievers and outstanding performers and to inculcate in the employees loyalty for the organization. Raising employees' involvement in the decision making process and grooming them for leadership positions has been an ongoing process.

Industrial relations and work atmosphere remained cordial throughout the year with sustained communication and engagement with workforce through various forums. Employees' strength as on 31st March, 2017 was 1063.

6. OPPORTUNITIES AND THREATS

Medium to long term outlook for commercial vehicle (CV) industry is positive, backed by projected improvement in industrial activity, strong focus on infrastructure project execution, steady agricultural output and improved consumption expenditure. Further, initiatives like the smart city programme and increasing demand from inter-city movement is expected to drive growth in the bus segment.

The financial year 2017-18 will be a challenging year as it sees implementation of BS IV standard across India leading to higher cost per vehicle with its attendant effect on demand and marketing. Implementation of GST will bring about structural changes in logistics and movement of goods which may affect both volumes as well as product mix. Your Company has taken necessary measures to address all logistic issues.

Government has already notified implementation of BS VI emission norms from the year 2020. That will require much planning and adjustments to manufacturing programmes but there remains acute anxiety as to supply of the requisite fuel. There is no clarity yet that oil companies will be ready for new fuels required and of the cost thereof. Furthermore, the Government has announced new series of regulations like bus-body code, truck body code and several other regulations, to enhance passenger & driver comfort and road safety. All these measures will require considerable development work and will significantly increase cost of production of vehicles.

7. BUSINESS RISKS AND CONCERNS

The demand for commercial vehicles is influenced by general economic conditions, including, among other things, rates of economic growth, availability of credit, interest rates, environmental and tax policies, safety regulations, freight rates, fuel and commodity prices. Unfavorable trends in any of these factors will pose concern for the industry.

As stated above, the transformation from BS-III to BS-IV and other regulatory requirements involved change in design requirements and training across all relevant points in manufacturing, marketing and user efficiency. These factors have substantially increased cost of production and, therefore, the prices of vehicles.

Demand for Commercial Vehicles, particularly M&HCVs (trucks), has been impacted in the first quarter of current fiscal due to higher cost of BS IV compliant vehicles. Furthermore, the Government has already notified implementation of BS VI emission norms from the Year 2020 which will further lead to pressures on development and manufacturing, and not the least, on cost of production.

To meet the above challenges, the Company is continuing its focus on - product development, innovative and cost effective technology solutions such as powertrains through outsourcing, up-gradation of plant infrastructure to improve manufacturing technology and efficiencies, cost cutting, improvements in after sale service, measures for customer satisfaction, brand promotion, enhancing dealer network, etc.

As regards all business risks, your Company has a Risk Management Committee of the Board which is entrusted with the functions of determining efficacy of the risk management framework of the Company including mitigation measures taken by the management.

8. CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis Report describing the Company's objectives, projection, estimates and expectations may constitute "forward looking statements" within the meaning of applicable laws and regulations. Actual results might differ from those either expressed or implied.

CORPORATE GOVERNANCE REPORT

The Company practices principles of good corporate governance, disclosure and transparency giving high priority to core values and ethics. It considers itself custodian and trustee for all its stake-holders. It seeks corporate excellence by offering quality vehicles and service to customers, fostering team spirit amongst employees by their continuous involvement and participation in decision making processes placing high emphasis on their integrity and loyalty to the Company.

COMPOSITION OF THE BOARD

The composition of the Board of Directors ("Board") conforms to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") with five independent Directors, including the Chairman and a woman Director; three whole-time Directors and five non-executive Directors. BOARD EVALUATION

Pursuant to the provisions of the Companies Act, 2013 and the Listing Regulations, the Board has carried out an annual evaluation of its own performance and that of its Committees after seeking inputs from all the Directors and members of relevant Committees. The Board has also carried out performance evaluation of each Director based on the evaluation carried out by the Nomination and Remuneration Committee (NRC).

The criteria for performance evaluation was set out by NRC and adopted by the Board. These included composition and structure of the Board and its Committees, effectiveness of the Committees, knowledge of the Company's operations by the members, their participation at meetings including preparedness for issues for consideration, level of contributions in assessing and improving performance of the Company and interactions amongst themselves and with senior management. Adherence to Code of Conduct of the Company, fiduciary and statutory obligations, continuing maintenance of independence by independent Directors were also a part of the performance evaluation.

The Board was satisfied with its composition and its diversified nature and that all Directors upheld the highest standards of integrity and probity, adhered to the Company's code of conduct, made constructive and effective contribution at meetings and generally carried out their responsibilities well in the interest of the Company and its stakeholders.

A separate meeting of independent Directors was held to review the performance of non-independent Directors, performance of the Board as a whole and performance of the Chairman of the Company, taking into account the views of other Directors. That review was most satisfactory.

ANNEXURE A TO DIRECTORS' REPORT

NOMINATION AND REMUNERATION POLICY OF THE COMPANY

Introduction

Section 178 of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (erstwhile Clause 49 of the Listing Agreement), together with Guiding Principles set out therein, require the Nomination and Remuneration Committee ('NRC') to recommend to the Board a policy in respect of selection, appointment, performance evaluation and removal of Independent Directors and other Directors, including whole time directors, Key Management Personnel ('KMP') and other senior management, and a policy of remuneration to them.

Accordingly, as proposed by the NRC and in order to formalise the Company's current and ongoing policy and practices for the above mentioned objectives in a more structured manner, the Board sets out a policy framework as under.

General

The composition of the Board of Directors, the appointment of Directors, their number, duration of appointment, their remuneration and their removal, where appropriate, will always be in accordance with the Companies Act and any other applicable law, the Listing Agreement and the Memorandum & Articles of Association.

The Company will continue its policy of non-discrimination on grounds of race, ethnicity, language and religion or caste in appointment, promotion and remuneration of employees.

NRC will monitor the policy and processes as set out herein on behalf of the Board.

Composition of the Board

The Board is composed of Independent Directors and other Directors, both men and women, with diverse experience in different industries and professions, both in India and other countries, Managing Director and whole time directors holding executive positions in the Company with relevant expertise and experience. The process of appointment is transparent backed by appropriate documentation.

Independent Directors

The law and good governance requires the Company to appoint a third of its members of the Board (as defined in the Companies Act) to be independent.

Principal criteria for selecting an independent director are that he/she:

- must have considerable experience at senior levels in business, industry, professions, government or industry/ finance related institutions in India and/or other countries;
- has no conflict of interest, including any material or pecuniary interest, except for remuneration received as approved by law and/or shareholders;
- has the ability to evaluate and advise on strategy and business of the Company;
- has the ability to challenge and evaluate performance of the management, financial performance and risks in the business;
- has the ability to relate and advise on the effects of macro level economic, industrial and political environment and developments, including government policies, on the Company's affairs and management of its business.

The remuneration of Independent Directors, which may include sitting fees and commission on profit, is determined by the Board on recommendation of NRC and is subject to shareholders' approval and as required by law.

The maximum term of appointment of an Independent Director is determined by law and as approved by the Shareholders.

Performance of an Independent Director is evaluated annually by the NRC and the Board, excluding the director being evaluated, according to the evaluation criteria set by the Board.

An independent Director may be removed from the Board by a majority decision by its members for sufficient reasons which may include a conflict of interest, lack of attendance at meetings of the Board and its Committees and inadequate performance at such meetings as evaluated by the Board annually or otherwise.

Performance evaluation for an Independent Director is principally based on the following factors:

1. Attendance at meetings of the Board, Committees of which he / she is a member and of Shareholders;
2. Compliance with the Code of Conduct;
3. Constructive participation in the proceedings of the Board and Committees;
4. Evaluation and advice relating to the Company's performance, both financial and commercial;
5. Awareness of the Company's operations and organisation, applicable corporate and other major laws and regulations, fiduciary responsibilities and matters relating to Stock Exchanges, SEBI and corporate governance generally;
6. Adherence to independence, no-conflict of interest and protection of interests of stakeholders.

Other Directors

The Board may invite any person to join as member who may not qualify as Independent Director and is not an employee of the Company. For the sake of clarity and only for this policy framework such director is referred herein as 'non-executive director' (NED).

The criteria of selection of NED may include, among others, expertise or specialized knowledge in one or more areas of the Company's activities, knowledge of similar or related activities gained in the business of the promoter, technology provider or other business associate.

The duration of the term of appointment, remuneration and removal of NED is at the absolute discretion of the Board, but always according to law and the Listing Agreement, and under no circumstance can the remuneration to a NED exceeds that of any Independent Director.

Performance of an NED is evaluated annually by the NRC and the Board, excluding the director being evaluated, according to the evaluation criteria set by the Board.

Performance evaluation for an NED is principally based on the same factors as for Independent Directors and, in addition, on his/her contribution in respect of the specific areas of expertise and knowledge where applicable.

Remuneration of NED, where payable, is recommended by NRC on a case by case basis.

Key Managerial Personnel ('KMP') and Senior Management

This group comprises:

1. Managing Director/Chief Executive Officer 'CEO'
2. Chief Financial Officer 'CFO'
3. Company Secretary
4. Senior Executives included in this Group by the Board from time to time, currently: Executive Directors responsible for, Marketing, Works, R&D, referred to herein as 'ED'

Managing Director

Appointment of the Managing Director/CEO is made by the Board on the recommendation of NRC.

Criteria for selection of Managing Director are knowledge of the business of the Company, experience in that business or any related business, leadership qualities, incisive understanding of the market, understanding socio-economic and political milieu in which the Company operates and effects thereof on the Company's policies and operations, objective setting and implementation of such objectives, ability to interact with the Board, ability to communicate effectively with employees, shareholders and other stakeholders and other publics.

Remuneration of Managing Director is determined by the Board on recommendation of NRC and approved by Shareholders and/or Central Government as required by law. While recommending remuneration payable NRC will consider, inter alia the factors as set out below for evaluation of performance.

Evaluation criteria for CEO's performance are: development and implementation of the Company strategy, achievement of short and long term plans, overall financial performance of the Company, effectiveness of management controls and systems in the Company, demonstrated communication skills and continued assessment of the effectiveness of organization structure, and protection of the Company's wealth and good standing.

Key Managerial Personnel and Senior Management

Whole-time Director

Selection, appointment and removal of KMP and Senior Management personnel is the responsibility of the Managing Director.

However, NRC in consultation with the Managing Director considers and recommends to the Board the appointment of a whole-time director from amongst the KMP and Senior Management.

Criteria for such selection and appointment as a director principally are:

- the need felt by the Board for expertise and experience of the individual to be available for Board deliberations as a member.
- as a reward/promotion for specially good performance and contribution to the Company's business.

Remuneration of a whole time director is determined by the Board on recommendation of NRC and approved by Shareholders and / or Central Government as required by law. While recommending remuneration payable, NRC considers the remuneration structure for senior management and additional responsibilities as a member of the Board.

Performance evaluation of a whole time director is made by the Managing Director in respect of his executive/operational responsibilities and by NRC on his performance at the Board on criteria similar to that set out for NED.

Evaluation of KMP and Senior Management is made annually by the Managing Director, principally based on both quantitative and qualitative performance in their specific area of executive responsibility, financial and other objectives as set in annual business plans, effectiveness of their leadership, management of people reporting to them, implementation of systems and controls in their operations, their contribution in the deliberations of executive and management groups and positive interaction with other executives and employees.

The remuneration of these personnel is determined by the Managing Director in consonance with the Company's policy to give fair managerial compensation taking account of their performance and contribution to the Company's overall performance.

The Company's compensation policy provides for variable content related to performance in remuneration package for all managerial personnel.

NRC develops its process and forms/matrices for performance evaluation from time to time as it deems appropriate.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017
(All amounts in Rs. Lakhs, until otherwise stated)**1. Company overview**

SML Isuzu Limited is a public company, incorporated under the Companies Act, 1956 and its shares are listed on the National Stock Exchange (NSE) and the Bombay Stock Exchange (BSE) in India. The Company is primarily engaged in the business of manufacture and sale of Commercial Vehicles and its parts. The Company has its operations primarily in India.

2. The financial statements for the year ended 31 March 2017 have been prepared as per the requirements of Schedule III of the Companies Act, 2013.

3. Significant Accounting Policies**i) Basis of preparation of financial statements**

The financial statements are prepared under the historical cost convention on the accrual basis of accounting, in accordance with the Indian Generally Accepted Accounting Principles (GAAP) and comply with the accounting standards, as prescribed by Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, to the extent applicable, as adopted consistently by the Company. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The financial statements have been prepared in Indian rupees rounded off to the nearest lakhs.

ii) Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Examples of such estimates include provision for warranty, provision for service charges, provision for future obligations under employee benefits plan and useful life of fixed assets. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in current and future periods.

iii) Current -non-current classification

All assets and liabilities are classified into current and non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- a. it is expected to be realised in, or is intended for sale or consumption in, the company's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is expected to be realised within 12 months after the reporting date; or
- d. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017
(All amounts in Rs. Lakhs, until otherwise stated)

- a. it is expected to be settled in the company's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is due to be settled within 12 months after the reporting date; or
- d. the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

iv) Revenue recognition

Revenue from sale of goods in the course of ordinary activities is recognised when property in the goods or all significant risks and rewards of their ownership are transferred to the customer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of the goods and regarding its collection. The amount recognised as revenue is exclusive of sales tax/value added taxes (VAT), and is net of returns, trade discounts and quantity discounts.

Export benefits are accounted for on accrual basis.

Revenue from royalty is recognized on accrual basis as per the terms of agreement entered into with the respective parties.

Revenue from dealer support services is recognized on accrual basis as per the terms of agreement entered into with the Dealers.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

v) Tangible and intangible fixed assets

Tangible fixed assets are carried at cost of acquisition or construction less accumulated depreciation and/or accumulated impairment loss, if any. The cost of an item of tangible fixed asset comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use. Subsequent expenditure is capitalised only when it increases the future economic benefits from the specific asset to which it relates. Advance paid towards acquisition of tangible fixed assets outstanding at each Balance Sheet date, are shown under long-term loans and advances and cost of assets not ready for intended use before the year end, are shown as capital work in progress.

If significant component of an item of tangible fixed assets have different useful lives, then they are accounted for as a specific items of tangible fixed assets.

The useful lives are reviewed by the management at each financial year-end and revised, if appropriate. In case of a revision, the unamortised depreciable amount is charged over the revised remaining useful life. A fixed asset is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Losses arising from retirement or gains or losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Profit and Loss.

Intangible assets are amortised in the Statement of Profit & Loss over their estimated useful lives, from the date that they are available for use based on the expected pattern of consumption of economic benefits of the asset. Accordingly,

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017
(All amounts in Rs. Lakhs, until otherwise stated)

at present, these are being amortised on straight line basis. In accordance with the applicable Accounting Standard, the Company follows a rebuttable presumption that the useful life of an intangible asset will not exceed ten years from the date when the asset is available for use. However, if there is persuasive evidence that the useful life of an intangible asset is longer than ten years, it is amortised over the best estimate of its useful life. Such intangible assets and intangible assets that are not yet available for use are tested annually for impairment.

Amortisation method and useful lives of intangible assets are reviewed at each reporting date. If the useful life of an asset is estimated to be significantly different from previous estimates, the amortisation period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortisation method is changed to reflect the changed pattern. An intangible asset is derecognized on disposal or when no future economic benefits, are expected from its use. Losses arising from retirement and gains or losses arising from disposal of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss.

vi) Depreciation/ Amortisation

Depreciation on tangible fixed assets is provided on the straight-line method based on the estimated useful life of each asset as determined by the management. Depreciation for assets purchased / sold during the period is proportionately charged.

Depreciation rates are based on the useful lives as specified in Part 'C' of Schedule II to the Act, except for the following assets, which are being depreciated based on the managements estimate of the useful life of tangible fixed assets. Such useful lives are lower than the lives arrived at on the basis of Schedule II of the Act:

	Estimated life (Years) #
Plant and equipments	2-12
Office equipment (Air-Conditioners)	4
Vehicles (Motor cars)	4
Buildings - Air Ventilators	10
Furniture & Fixtures	5-10

For the above mentioned class of assets, based on internal technical evaluation, the management believes that the useful lives as given above best represent the period over which management expects to use these assets.

Capital spares are amortized in a systematic manner over a period not exceeding the useful life of the asset to which they relate.

Intangible assets are amortised on a straight-line method on a monthly pro-rata basis over a period of three to ten years based on the estimated useful life of the assets.

vii) Borrowing costs

Borrowing costs are interest and other costs (including exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred by the Company in connection with the borrowings of funds. Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of those assets which take necessarily a substantial period of time to get ready for their intended use. Other borrowing costs are recognized as an expense in the period in which they are incurred.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017
(All amounts in Rs. Lakhs, until otherwise stated)

viii) Impairment of assets

The carrying amounts of assets are reviewed at each balance sheet date in accordance with Accounting Standard - 28 on 'Impairment of Assets' to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the asset is estimated and impairment loss is recognised wherever the carrying amount of an asset or cash generating unit exceeds its recoverable amount. For the purpose of impairment testing, assets are grouped together into smallest group of assets (Cash Generating Unit or CGU) that generate cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGU's. The recoverable amount of an asset or CGU is the greater of its value in use and its net selling price. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflect current market assessments of the time value of money and the risks specific to the CGU.

Impairment losses are recognised in the Statement of Profit and Loss. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortisation, if no impairment loss had been recognised.

ix) Inventories

Inventories which comprise raw materials, work-in-progress, finished goods, stock-in-trade, stores and spares, and loose tools are carried at the lower of cost and net realisable value. Cost of inventories comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. In determining the cost, quarterly weighted average cost method is used. In the case of manufactured inventories, fixed production overheads are allocated on the basis of normal capacity of production facilities. Excise duty liability is included in the valuation of closing inventory of finished goods.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs necessary to make the sale. The net realisable value of work-in-progress is determined with reference to the selling prices of related finished products. Raw materials and other supplies held for use in the production of finished products are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realisable value.

x) Employee benefits

Short term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages and bonus, etc, are recognised in the Statement of Profit and Loss in the period in which the employee renders the related service.

Defined contribution plans:

Contribution to Employee Provident fund and Employees' State Insurance Fund

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Company makes specified monthly contributions towards employee provident fund to Government administered provident fund scheme which is a defined contribution plan. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Superannuation Scheme:

Certain employees are also participants in the superannuation plan ('the Plan') which is a defined contribution plan. The Company has no obligations to the Plan beyond its monthly contributions, which are periodically contributed to the superannuation scheme, the administration of which is entrusted with Life Insurance Corporation of India ('LIC').

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017
(All amounts in Rs. Lakhs, until otherwise stated)**Defined benefit plans:**

Gratuity is a defined benefit plan. The administration of the gratuity scheme has been entrusted to the LIC. Contributions are made by the Company to the LIC based on actuarial valuation of obligation as at 31 March every year conducted by the LIC. Such contributions paid during the year have been charged to the Statement of Profit and Loss on accrual basis. The Company also carries out an actuarial valuation conducted by an independent actuary as at 31 March every year for company as a whole. Any incremental value of obligation, as compared with the obligation determined by the LIC is charged to the Statement of Profit and Loss.

The present value of obligations under such defined benefit plan is determined based on actuarial valuation carried out by an independent actuary using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up the final obligation.

The obligation is measured at the present value of estimated future cash flows. The discount rates used for determining the present value of obligation under defined benefit plans, is based on the market yields on Government securities as at the Balance Sheet date, having maturity periods approximating the terms of related obligations.

Other long term benefits:

The employees can carry-forward a portion of the unutilised accrued compensated absences and utilise it in future service periods or receive cash compensation on termination of employment. Since the compensated absences do not fall due wholly within twelve months after the end of the period in which the employees render the related service and are also not expected to be utilized wholly within twelve months after the end of such period, the benefit is classified as a long-term employee benefit. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the projected unit credit method.

Actuarial gains / losses:

The Company recognises all actuarial gains and losses arising from defined benefit plans immediately in the Statement of Profit and Loss.

xi) Research and development

Expenditure on research is expensed off under the respective heads of account in the period in which it is incurred.

Expenditure on development activities, whereby research findings are applied to a plan or design for the production of new or substantially improved products and processes, is capitalised, if the cost can be reliably measured, the product or process is technically and commercially feasible and the Company has sufficient resources to complete the development and right to use the asset. The expenditure capitalised includes the cost of materials, direct labour and an appropriate proportion of overheads that are directly attributable to preparing the asset for its intended use. Other development expenditure is recognised in the Statement of Profit and Loss as an expense as incurred.

Capitalised development expenditure is stated at cost less accumulated amortisation and impairment losses. Fixed assets used for research and development are depreciated in accordance with the Company's policy as stated above.

Materials identified for use in research and development process are carried as inventories and charged to the Statement of Profit and Loss on consumption of such materials for research and development activities.

xii) Warranty and service expenses

A provision is estimated for expected warranty and free service coupon cost in respect of products sold during the year on the basis of past experience regarding failure trends of products and costs of rectification or replacement.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017
(All amounts in Rs. Lakhs, until otherwise stated)

xiii) Foreign currency transactions

Transactions in foreign currency are recorded at the exchange rate prevailing at the date of the transaction. Exchange differences arising on foreign currency transactions settled during the year are recognised in the statement of Profit and Loss for the year.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date; the resultant exchange differences are recognised in the Statement of Profit and Loss. Non- monetary assets are recorded at the rates prevailing on the date of the transaction.

The Company recognises all derivative contracts (other than those designated as hedges) at fair value, on the date on which the derivative contracts are entered into and are re-measured at fair value as at the Balance Sheet or reporting dates. Derivatives are classified as assets when the fair value is positive (positive marked to market value) or as liabilities when the fair value is negative (negative marked to market value). Changes in the fair value of derivatives other than those designated as hedges are recognised in the Statement of Profit and Loss.

The changes in fair value of derivatives, designated as hedges, are recognised directly in Cash Flow Hedge Reserve under Reserves and Surplus. Amount accumulated in Cash Flow Hedge Reserve are reclassified to the Statement of Profit and Loss in the same periods during which the exchange fluctuation (gain)/loss on underlying transaction affects the Profit and Loss. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting. Cumulative gain or loss on the hedging instrument recognised in Reserves and Surplus is retained there and is transferred to statement of profit and loss when the forecasted transaction occurs. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in Reserves and Surplus is transferred to the statement of profit and loss.

xiv) Taxation

Income-tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the Income-tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). Income-tax expense is recognised in profit or loss except that tax expense related to items recognised directly in reserves is also recognised in those reserves.

Current tax is measured at the amount expected to be paid to (recovered from) the taxation authorities, using the applicable tax rates and tax laws. Deferred tax is recognised in respect of timing differences between taxable income and accounting income i.e. differences that originate in one period and are capable of reversal in one or more subsequent periods. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonably/virtually certain (as the case maybe) to be realised.

Minimum Alternative Tax ('MAT') under the provisions of the Income-tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017
(All amounts in Rs. Lakhs, until otherwise stated)

xv) Government grant

Grants in the form of Capital/Investment subsidy are treated as Capital Reserve.

xvi) Operating lease (as lessee)

Assets acquired under leases other than finance leases are classified as operating leases. The total lease rentals (including scheduled rental increases) in respect of an asset taken on operating lease are charged to the Statement of Profit and Loss on a straight line basis over the lease term unless another systematic basis is more representative of the time pattern of the benefit.

xvii) Earnings per share

Basic earnings per share are calculated by dividing the net profit/ (loss) for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year end, except where the results would be anti-dilutive.

xviii) Provisions, contingent liabilities and contingent assets

A provision is recognized if, as a result of a past event, the Company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognized at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. The provisions are measured on an undiscounted basis. Provision in respect of loss contingencies relating to claims, litigation, assessment, fines, penalties, etc. are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

xix) Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less.

c. Rights, preferences and restrictions attached to the equity shares :-

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to its share of the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid. Failure to pay any amount called up on shares may lead to forfeiture of the shares. On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

We have audited the accompanying financial statements of SML Isuzu Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

4. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017 and its profit and its cash flows for the year ended on that date.

5. Report on Other Legal and Regulatory Requirements

- (i) As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Sub-Section (11) of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraphs 3 and 4 of the order.
- (ii) As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) On the basis of the written representations received from the directors as on 31 March 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer to Note 29 to the financial statements;
 - ii. The Company has made provisions, as required under the applicable law, or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.
 - iii. There has been no delay in transferring amount, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. The Company has provided requisite disclosures with regard to the holdings as well as dealings in Specified Bank Notes during the period from 8 November 2016 to 30 December 2016. Based on audit procedures performed by us and relying on the management representation we report that the disclosures are in accordance with the books of accounts maintained by the Company and as produced to us by the Management. Also refer to note 34 to the financial statements.

Annexure-A to the Auditors' Report

Annexure A referred to in paragraph 5 (i) of the Independent Auditors' Report to the Members of SML ISUZU Limited on the accounts for the year ended 31 March 2017, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which all fixed assets are verified in a phased manner over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) The inventory, except materials-in-transit and stock lying with third parties, has been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of such verification is reasonable. For stocks lying with third parties at the year-end, written confirmations have been obtained.
- (iii) According to the information and explanations given to us, we are of the opinion that there are no companies, firms, limited liabilities partnerships or other parties covered in the register required to be maintained under Section 189 of the Companies Act, 2013 ('the Act'). Accordingly, paragraph 3(iii) of the Order is not applicable.
- (iv) The Company has not given any loans, or made any investments, or provided any guarantee, or security as specified under Section 185 and 186 of the Act. Accordingly, paragraph 3(iv) of the Order is not applicable.
- (v) The Company has not accepted any deposits covered under Section 73 to 76 or other provisions of the Act and rules framed thereunder.
- (vi) The Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act, for any of the products manufactured / services rendered by the Company.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax and other statutory dues were in arrears as on 31 March 2017 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, there are no dues of Duty of Customs, Income-Tax, Sales Tax, Service Tax, Duty of Excise and Value Added Tax which have not been deposited by the Company on account of disputes except as mentioned below:

Annexure-B to the Auditors' Report

Annexure B referred to in paragraph 5 (ii)(f) of the Independent Auditors' Report to the Members of SML ISUZU Limited being report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of SML Isuzu Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

11. Notice of Annual General Meeting, Audited Financial Statements for the year ended 31st March, 2017 together with Report of Directors and Auditors' Report are also available on the website of the Company www.smlisuzu.com.
12. The Company has transferred unclaimed dividends for and upto the financial year ended 31st March, 2009 to the Investor Education and Protection Fund (IEPF). Members who have not encashed the dividend warrant(s) so far for any subsequent financial years are requested to make their claims to the Company. It may be noted that once the amounts in the unpaid dividend accounts are transferred to the IEPF, no claim shall lie against the Company in respect thereof. The Company has uploaded the information of unclaimed / unpaid dividend lying with the Company as on 5th August, 2016 (date of last Annual General Meeting) on the website of the Company (www.smlisuzu.com).
13. Pursuant to Rule 6 of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 read with Section 124 of the Companies Act, 2013, all the shares in respect of which dividend has not been claimed by the shareholder for a period of 7 (seven) consecutive years or more, shall be transferred to Investor Education

and Protection Fund (IEPF). Upon transfer of such shares, all corporate benefits accruing on such shares shall also be credited to the IEPF and the Voting Rights on such shares shall remain frozen till the rightful owner claims the shares.

The Company has already initiated necessary action for transfer of all shares in respect of which dividend declared for the financial year 2009-10 or earlier financial years has not been claimed by the members for 7 (seven) consecutive years or more. Intimations have been sent to the concerned shareholders through individual notices and also advertised in the Newspapers requesting them to en-cash their unclaimed dividends failing which the corresponding shares shall be transferred to IEPF without further notice. The list of concerned Shareholders and the corresponding shares are available on the Company's website www.smlisuzu.com.

14. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company / Registrar.
15. Members can avail the facility of nomination in respect of shares held by them in physical form pursuant to the provisions of Section 72 of the Companies Act, 2013. Members desiring to avail this facility may send their nomination to Company's Registrar and Share Transfer Agent, M/s MCS Share Transfer Agent Limited, in the prescribed Form SH13, which is available on the website of the Company (www.smlisuzu.com). Members holding shares in electronic mode may contact their respective Depository Participants for availing this facility.
16. Payment of Dividend through ECS:
 - a) The Securities and Exchange Board of India has made it mandatory for all companies to use the bank account details furnished by the Depositories for the payment of dividend through Electronic Clearing Service (ECS) to investors wherever ECS and bank details are available. In the absence of ECS facilities, the Company will print the bank details, if available, on the payment instrument for distribution of dividend. The Company will not entertain any direct request from Members holding shares in electronic mode for modification / change in such bank details.

Further, instructions if any, already given by them in respect of shares held in physical form will not be automatically applicable to shares held in the electronic mode. Members who wish to change such bank account details are therefore requested to advise their Depository Participants about such change, with complete details of bank account.
 - b) Members holding shares in physical form and wishing to avail the facility of electronic credit of dividend directly to their respective bank accounts through the Electronic Clearing Service (ECS) / National Electronic Clearing Service (NECS) are requested to intimate the particulars of their bank account, viz., name and address of the branch of the bank with 9 digit MICR code of the branch & 11 digit IFSC code, type of account and account number latest by 11th September, 2017 to Company's Registrar and Share Transfer Agent, M/s MCS Share Transfer Agent Limited. Members located in places where ECS / NECS facility is not available may submit their bank details to M/s MCS Share Transfer Agent Limited to incorporate this information on the dividend warrants and thus prevent fraudulent encashment.
17. For receiving all shareholder communications faster in future, including annual reports, the shareholders are requested to kindly register / update their e-mail address with their respective Depository Participant, where shares are held in electronic mode. If, however, shares are held in physical form, shareholders are advised to register their e-mail address with Company's Registrar and Share Transfer Agent, M/s MCS Share Transfer Agent Limited.
18. Members are requested to:
 - i. Intimate to the Company's Registrar and Share Transfer Agent, M/s MCS Share Transfer Agent Limited, changes, if any, in their registered addresses, nomination, power of attorney etc. at an early date, in case of shares held in physical form.

- ii. Intimate directly to the respective Depository Participant, changes, if any, in their registered addresses, nomination, power of attorney etc. at an early date, in case of shares held in dematerialised form. The Company will not take cognizance of any such requests directly from shareholders.
- iii. Quote their folio numbers/Client ID/ DP ID in all correspondence.
- iv. Consolidate their holdings into one folio in case they hold shares under multiple folios in the identical order of names.

By Order of the Board
for SML ISUZU LIMITED

(PARVESH MADAN)
Company Secretary
ACS-31266

Dated: 10th August, 2017

Explanatory Statement pursuant to Section 102 of the Companies Act, 2013

Item No. 6

Mr. Kazuo Goda was appointed by the Board, on the recommendation of Nomination & Remuneration Committee, as an Additional Director with effect from 5th August, 2016. He holds office upto the date of the ensuing Annual General Meeting pursuant to Section 161 of the Companies Act, 2013 ("the Act").

Mr. Goda is a Graduate from Kyoto Sangyo University, Japan. He joined Isuzu Motors, Japan in April 1990 and is currently associated with Isuzu Motors as a General Manager, International Sales (Dept. No.3). He has over 25 years of rich experience in various fields including International Business Development and International Sales.

The Company has received a Notice in writing from a Member along with the deposit of the requisite amount under Section 160 of the Act proposing the candidature of Mr. Kazuo Goda for the office of Director of the Company, liable to retire by rotation.

Mr. Goda is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given his consent in writing to act as a Director of the Company.

Disclosure under applicable provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standards on General Meetings has been annexed hereto and marked as **Annexure A**.

It is the considered view of the Board that Mr. Goda's knowledge and experience will be of immense value to the Company. Accordingly, the Board recommends the Ordinary Resolution set out at Item No. 6 of the Notice for the approval by the Members.

Except for Mr. Goda, none of the other Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution set out at Item No. 6.

The relevant documents related to this item are available for inspection on all working days from 11:00 AM to 3:00 PM at the Registered Office of the Company and copies thereof are available for inspection at the Corporate Office of the Company and will also be available during the Meeting.

Item No. 7 & 8

Mr. Takahiro Imai was appointed by the Board, on the recommendation of Nomination & Remuneration Committee, as an Additional Director with effect from 26th May, 2017. He holds office upto the date of the ensuing Annual General Meeting pursuant to Section 161 of the Companies Act, 2013 ("the Act").

Mr. Imai is a graduate in Engineering from Kyushu University, Japan. He joined Isuzu Motors Limited, Japan in the Year 1997 and his last position in Isuzu Motors was Manager-CV Chassis Engineering (Dept. No. 2). He has experience of around 19 years with Isuzu in the area of Automobile Engineering. Before appointment as Director, Mr. Imai worked with SML Isuzu Limited as Executive – R&D since May 2016.

The Company has received a Notice in writing from a Member along with the deposit of the requisite amount under Section 160 of the Act proposing the candidature of Mr. Takahiro Imai for the office of Director of the Company, liable to retire by rotation.

Mr. Imai is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given his consent in writing to act as a Director of the Company.

Further, on the recommendation of Nomination & Remuneration Committee, the Board at its meeting held on 10th May, 2017, also appointed Mr. Takahiro Imai as Whole-time Director of the Company designated as Director - R&D (*Isuzu Products & Projects*) for a period of 2 (two) years with effect from 26th May, 2017 subject to approval of the shareholders in the Annual General Meeting.

The period of office of Mr. Takahiro Imai shall be liable to determination by retirement of directors by rotation. If Mr. Imai is re-appointed as a director, immediately on retirement by rotation he shall continue to hold office of Whole-time Director, designated as Director - R&D (*Isuzu Products & Projects*), and such re-appointment as director shall not be deemed to constitute a break in his appointment as a Whole-time Director, designated as Director - R&D (*Isuzu Products & Projects*).

The Notice read with Explanatory Statement should be considered as written Memorandum setting out the terms of appointment of Mr. Takahiro Imai as required under Section 190 of the Companies Act, 2013.

Disclosure under applicable provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standards on General Meetings has been annexed hereto and marked as **Annexure A**.

Statement as required under Schedule V of the Companies Act, 2013 with reference to Resolution at Item No. 8 has been annexed hereto and marked as **Annexure B**.

It is the considered view of the Board that Mr. Imai's knowledge and experience will be of immense value to the Company. Accordingly, the Board recommends passing of the Resolutions at Item No. 7 of the Notice as an Ordinary Resolution and Item No. 8 of the Notice as a Special Resolution.

Except for Mr. Takahiro Imai, none of the other Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolutions set out at Item No. 7 & 8.

The relevant documents related to these items are available for inspection on all working days from 11:00 AM to 3:00 PM at the Registered Office of the Company and copies thereof are available for inspection at the Corporate Office of the Company and will also be available during the Meeting.
